

Post Graduate Diploma in Environmental Law and Policy

October 2021-2022

Refer to the timeline for submission date

Total Marks: 50

The world limits and marks allocated to each question are mentioned after the question

Assignment – 3

Question 1:

The United Nations Convention on Biodiversity Secretariat has issued the first draft of the Global Biodiversity Framework to guide actions worldwide through 2030 to preserve and protect nature and its essential services to people.

Elaborately discuss the action targets listed in the framework to reduce threat to the biodiversity. Also, discuss how can they be effectively implemented.

[15 marks, 1000-1200 words]

Question 2:

What do you understand by traditional knowledge? Does it play any role in preventing environmental degradation? If yes, then comment how it helps to save environment. If no, then substantiate your arguments with suitable justification.

[15 marks, 1000-1200 words]

Question 3:

Discuss the role of environmental organisations towards saving the environment. Elaborate your answer with the help of examples.

[10 marks, 800-1000 words]

Question 4:

Comment on the role of International Convention for the Protection of New Varieties of Plants and discuss the conditions required for a new variety to be protected.

[10 marks, 800-1000 words]
