

**Post Graduate Diploma in Urban Environmental Management and Law
October- 2021-2022**

Refer to the timeline for submission date

Total Marks: 50

The world limits and marks allocated to each question are mentioned after the question

Assignment – 2

Question 1:

What are the various laws and policies governing urban infrastructure in India? Also, critically comment on the findings of *the Report on Reforms in Urban Planning Capacity in India* launched by Niti Ayog.

[20 marks, 1000-1200 words]

Question 2:

What do you understand by the term '*urban regeneration*'. Suggest ways in which urban regeneration and Sustainable Development Goals can be integrated.

[10 marks, 800-1000 words]

Question 3:

"Urban-Rural Linkages touch on a broad variety of thematic areas ranging from urban and territorial planning, strengthening small and intermediate towns, from enabling spatial flows of people, products, services and information to fostering food security systems as well as touching mobility and migration, reducing the environmental impact in urban-rural convergences, developing legislation and governance structures and promoting inclusive financial investments among others."

Why is it crucial to link urban and rural areas and how does it help to advance the Sustainable Development Goals.

[10 marks, 800-1000 words]

Question 4:

Write short notes on:

- a) Urban sprawl and its consequences
- b) Strict and Absolute Liability

[5 marks each, 500-800 words]
